

**SPECIFICATION DATA**

Code	Finish	Mounting	Size (mm)	Delivered Lumens (lm)	Integral Test Routine	Battery Recharge Period
<b>ONX/M/3W/MT</b>	White	Surface	350x120x90mm	150	Manual Test	< 24 hours
<b>ONX/M/3W/DST</b>	White	Surface	350x120x90mm	150	EN62034/DALI	< 24 hours

- Maintained, Non-maintained, self contained
- 5 year warranty, 1 year battery warranty
- See website for LDT files
- For CAD/BIM contact us
- See website for Technical Data Sheet
- For Black version, replace 'W' in part number with 'B'
- Semi-Recessing Kit is available, please specify part code ONX/SRK
- DALI/Self Test luminaire will operate in self test mode if no DALI signal is detected
- Self test products automatically randomise their testing times for minimal risk, tests can occur at any time. This should be considered when designing projects.
